

## In Pursuit of Hope: A Guide for the Seeker

*In Pursuit of Hope* takes the reader on a quest in search of a more purposeful life amidst the environmental, social, economic and spiritual challenges of the 21st century.

A metaphorical journey across seven valleys and seven mountain ranges, this is a do-it-yourself guide for anyone who is seeking greater meaning in life. A companion for each step of the way, this book assists you to ask the right questions and provides you with tools to help you along your journey. While it is impossible to know your ultimate destination and what the future will bring, this book shows that you can make a difference, contributing to change within your own life, the lives of those around you, and the planet as a whole.
